COMMUNICATION

S I R:

Applicants thank the Examiner for issuing the Notice of Allowance on October 3, 2008 allowing claims 1, 6-14, and 22-30 in the subject application.

Upon reviewing the prosecution records, applicants noticed that at least one reference listed on the October 4, 2005 Information Disclosure Statement (IDS) has not been considered. In fact, both DE 1268157 and its English Abstract were lined through in the returned IDS attached to the Office Action April 15, 2008.

Applicants hereby respectfully request that the above-mentioned reference be considered and made of record in the subject application. For the Examiner's convenience, applicants enclose a copy of U.S. Patent 3,122,228, which is equivalent to DE 1268157, as indicated in the attached INPADOC Patent Family search report.

No fee is believed to be due for this submission.

Respectfully submitted,
COHEN PONTANI LIEBERMAN & PAVANE LLP
